My favourite place by Mark Smith

My family and I come to this small village in the countryside every year. It's my favourite place. I like it because it's quieter than my town and it's prettier, too. The village is on the coast. My family and I always stay in a small cottage near the sea. There's a hedge around the garden and there are lots of pretty flowers all around the cottage. From my bedroom window, I can see the long beach and I can see a little island in the sea. I go to the beach every day and have a picnic on the sand. There are lots of quiet roads and footpaths, so my family and I go for lots of walks. I sometimes ride my mountain bike in the hills behind the village. I think it's the most beautiful place in the world.
